We expect payment upon receipt. If you have any questions email support@profileagency.com

We want to set your expectations when running shoutouts on Instagram. Since Instagram is a worldwide application, our profile has followers from all over the world. The majority of our followers are from the USA, but the next biggest demographic is India, then Nigeria, Brazil, and the United Kingdom. We can not control who follows you from a certain shoutout, so you can expect to get followers from all these countries.

If buying shoutouts in bulk, they have to be used within a certain period of time. Min of 2 per week. Prices continue to rise for shoutouts each year, and your costs will go up every year if purchasing on a continuous basis.
